

SUMMIT BASEBALL

BANNER SPONSORSHIP FORM

Dear Sponsor,

A new season is upon us and the Summit High School baseball program has begun our fundraising efforts. Sports programs in public schools continue to be underfunded and running our program cannot be done without the generous support of our local businesses. All sponsor money goes directly to the baseball program for projects that improve our student athletes playing experience. This year we are striving to raise funds to upgrade our batting cages, dugouts and field renovations of the Varsity field.

We strive to become one of the best baseball programs in the area. Our teams have made great strides this fall under the instruction of new Head Coach, Samuel Lopez. We look forward to show our progress this upcoming season and to the generous donations from our local businesses like yours that will help us achieve these levels of success.

We are asking for your support in sponsoring our baseball program. This form and donation may be returned to Summit High School. All donations are tax deductible. A tax identification number will be provided upon receipt of the donation. We thank you in advance for your generous support of our program.
